

**The Everlasting Man  
G. K. Chesterton**

This book needs a preliminary note that its scope be not misunderstood. The view suggested is historical rather than theological. . . . Much of it is devoted to many sorts of Pagans rather than any sort of Christians; and its thesis is that those who say that Christ stands side by side with similar myths, and his religion side by side with similar religions, are only repeating a very stale formula contradicted by a very striking fact. (Summary from the preface)

**Read by InTheDesert. 17 Tracks. Total Duration: 10:13:30**
